\*Greg Hills is Managing Director at FSG, a mission-driven consulting firm helping foundations, nonprofits, businesses, and governments around the world create large-scale, lasting social change. Greg has over 20 years of consulting

experience and leads FSG's Global Development practice and the Boston office. He has authored numerous influential white papers and speaks frequently around the world on innovative approaches to social change, including collective impact. His work spans issues of education, health, environment, agriculture, and international development. Prior to FSG, Greg worked as a strategy consultant at Deloitte and managed USAID programs focused on sustainable development in the Asia-Pacific region. Greg holds an M.B.A. from the Tuck School of Business at Dartmouth College and a B.A., *cum laude*, with honors in Government from Hamilton College.

### **About FSG**

FSG is a mission-driven consulting firm supporting leaders in creating large-scale, lasting social change. Through customized consulting services, innovative thought leadership, and support for learning communities, we help foundations, businesses, nonprofits, and governments around the world accelerate progress by reimagining social change.
